

# 命と健康を守るために 感染予防のお願い

To save your life and health

Request for infection prevention

- ◆ Wash your hands frequently
- ◆ Wear a mask
- ◆ Avoid crowded places
- ◆ Keep a safe distance from others
- ◆ Check your temperature and monitor your health every day
- ◆ Do not eat and drink in a large group for a long time.

A red rectangular graphic with the words "STOP" and "COVID-19" in white, bold, italicized capital letters. "STOP" is on the top line and "COVID-19" is on the bottom line.

※ **From 9:00 to 17:00**

If you have a fever or cough and are suspected to be infected with the new Coronavirus, please call to consult your doctor or medial institution near your place first. If you cannot decide which medial institution to consult, please call the Yokkaichi Public Health Center (☎ 059-352-0594) and follow the instructions. If you need an interpreter, please let us know.

※ **From 21:00 to 9:00 the next day**

Please call Mie Emergency Medical Information Center (☎ 059-229-1199) follow the instructions.
