Place each specific type of garbage at the designated collection point **no later than 8:30 a.m. on the designated day.** Please note that wrongly sorted garbage and any garbage placed out at the incorrect time/day/location will not be collected. Please check with the community association of your area for the location of the collection point, collection time, and other related information. (For information on how to contact your area's community association, please inquire at the Citizen's Center.)

Please note that improperly disposing of garbage is considered illegal dumping and is a crime. **Illegal dumping offenders can be fined up to 10 million yen and/or imprisoned for up to 5 years.**

Combustible garbage

To combat global warming
Start with what you can do, little by little.
Drain kitchen garbage before disposing of it as combustible waste!
By reducing the volume of combustible waste, the volume of waste to be collected and incinerated will be reduced, ultimately leading to a **reduction in CO₂ emissions.**
